Halo Combat

Hey people. This is my first story. This is only the first chapter. So if you guys want me to make more, just tell me in your reviews. If you want to use one of my characters, you have to ask first. Well hope you like it.

Chapter 1

Blake's Pov. or mobile 6

Today is my first day as a Spartan. I woke up to hear my alarm clock go off like crazy. I slowly got out of bed and hit my alarm clock. I was pissed off by how long it beeps. I scratched my head and yawned. I then remembered that I had to meet Lena and Heavy at the command station. (Heavy and Lena are both my characters)

I quickly ran over to the armor closet and took out my new suit of battle gear. It was shiny and it looked like it had been polished. I quickly put it on and rushed out the door.

The Command Station

As I ran through the doors of the Command, I saw Lena and Heavy sitting down. Well Heavy was, but Lena was standing up and waving at me to get my attention. I walked straight to the bench.

"Hi Blake. You ready to go to Reach?" Lena asked. Heavy just grunted at the sound of that.

"I don't like goin to Reach. It's a hell hole there" Heavy said in a

deep voice. We both looked a Heavy "Come on or else." She pleaded

"I can't stand goin there. I told you that. It reminds me of when my friend, Tony died." He said sadly.

"Remember"

Flash Back

Heavy walk up the hill and looked over the valley. There were aliens everywhere and ships just kept on coming with more aliens.

"Heavy! Use your mini gun" Tony yelled to Heavy. He took out his mini gun and started to fire. Blood was everywhere. Heavy's mini gun was so loud that he didn't hear Tony yell. He was shot, laying on the floor. Tony was shot in the heart once and shot in the head twice.

"What now?" he yelled after he was finished shooting his gun. No response. Heavy looked at Tony. He was dead.

End of Flash Back

But by the time he was done talking they we're on a Falcon on there why to Reach.

"Damn, I hate you guys" he growled. I laughed hard. When I was done, something changed my life forever.

CLIFF HANGER

Well that was the first chapter. Hoped you like it and maybe if I get good reviews, I will make another chapter.

End
file.
